

## Best Retail Franchises To Buy in 2021

1851 Franchise rounded up ten of the hottest franchise concepts in the retail category.

09:08 AM • 03/29/21 Franchisor Spotlight

---

The retail segment is one of the most diverse and all-encompassing categories of the franchise industry. From kiosks to brick-and-mortar storefront businesses such as pet supply shops, printing services and convenience stores, the retail industry covers just about every type of product you can imagine.

Although the future of the retail industry has been uncertain in recent years due to [the popularity of Amazon and e-commerce](#), many forward-thinking retail franchises have been implementing online ordering platforms and e-commerce channels of their own to position franchisees for success. No matter what, consumers will always look for the most enjoyable way to purchase goods and services, and with so many retail franchise opportunities available, prospective franchisees are sure to find a way to give it to them.

Here are ten of the most exciting franchise concepts in the retail segment.
